

## *Sign up to be a Room 209 volunteer!*

I am making a list of parents who are interested in volunteer opportunities in our class. If you would like to volunteer (either in our class or from home), please check the appropriate box (or boxes!) below and return this form to me at your earliest convenience. Of course, signing up to be a class volunteer doesn't committ you to helping out WHENEVER there's a need. (I know you have busy schedules and are not always available.) I do my best to give plenty of notice when requesting volunteers, and I will try to give many people the opportunity to help. Thank you for helping our class!

- I would like to help out in class when there is a special activity or party.
- I would like to help out from home by sending in supplies, materials, helping to organize activities, etc.
